

KODY MCDONNELL

Heavy Equipment Operator/Mechanic

Experience

Warehouse & Delivery Supervisor | Crescent Electric, Helena MT
06/2018 – CURRENT

Responsible for overseeing the daily operations of the warehouse which includes, but is not limited to, shipping and receiving, purchasing, product delivery, budgeting, inventory control, safety, housekeeping, and supervision of warehouse staff. Also responsible for scheduling and dispatching of company vehicles, building and maintaining relationships with customers and vendors. I am responsible for overall direction, coordination of training, and evaluation of warehouse employees.

Facilities Maintenance Manager & Safety Coordinator
| Regency Technologies, Phoenix AZ
12/2014 – 04/2018

Facilities Maintenance: Managed the maintenance service and repairs in the areas of plumbing, carpentry, painting, and machine/electrical servicing for the organization's facilities. Monitored equipment and ensured efficiency and effectiveness. Planned and scheduled all maintenance activities for facilities. Executed all repairs and maintenance of heavy equipment. Managed all contact with contractors, vendors and suppliers.

Experience maintaining and repairing: fleet of forklifts, industrial shredders and balers, industrial electrical, 800-amp 480-volt 3 phase generators.

Safety Coordination: Trained employees in safety procedures. Designed methods for appraising safety conditions in warehouse. Inspected working conditions to ensure all products and activities were compliant with safety guidelines. Responsible for overseeing use of dangerous chemicals and machinery. Report writing detailing inspection process. Suggested revisions to production methods and employee activity that does not meet health and safety codes. Ordered safety gear and supplies for workplace. Always staying up to date on new state and federal health and safety regulations. Ran emergency drills to gauge employee readiness.

Heavy Equipment Operator | International Paper, Kent WA
03/2013 – 10/2014

Operated heavy equipment in compliance with the company's operating safety policies and procedures. Ensured company equipment and material were maintained, kept clean, and stored in a safe manner.

Member of highest producing crew at highest producing and largest International Paper Recycling plant in the country | Average of 140 bales per shift averaging one ton each

Volunteer

Personal Statement

I have been described by my past employers as "a strong contributor... a leader amongst his peers... and the go-to person to take on the challenge." I strive to exceed expectations and produce excellence for my employer. My loyalty and drive will make me a useful and reliable asset within your organization.

Skills

- Certified Mechanic
- Precision measurements
- Heavy equipment operation
- CPR/First Aid certified
- Heavy equipment maintenance, repairs, and mechanics
- Forklift Certified
- OSHA 30 – General
- Team management

Education

MARCH 2016

Certification – Harley-Davidson Motorcycle Mechanics | Motorcycle Mechanics Institute, Phoenix AZ

While my training is in motorcycle mechanics, these courses haven't given me a strong understanding of mechanics in general. I have utilized these skills during my previous employment by applying them to heavy machinery and equipment.
